Has FOX told their audience that Rudy Giuliani is being sued for sexual assault, harassment, wage theft, etc, by a former employee? The court documents are quite something, to say the least.

There's no such thing as transgender. Maybe girly man, and he doesn't belong with girls. If I was their father, I would be pissed!

(perverts) are allowed in women's spaces and most people promoting this are males and women under there thumb.

Thats the right thing to do. Hope you win it.

4

Ray @RayHenry68 · May 17, 2023

Why can't there be a Trans Sorority Association - then everyone is happy and there are no perverts

3

RoxyRose @RoxyRos63258021 · May 17, 2023

This is the beginning of the end of sororities. I've watch the national chapter of mine become very political including not supporting a "sister" on the Supreme Court because of woke backlash.

It's not like she just showed up. Our fraternity required unanimous approval to join.

Question... What father wants his daughter sharing a bedroom with a male who says he is trans?

2

Dave70 @Dave7064012139 · May 17, 2023

If you have a trans female who says she wants to be a male, I know several frat houses who will let her in their shower.

Women say no to a man. And you force the women to let the men in. Sounds like rape.

 Funny, if this pervert stood outside and spied through a window he would be arrested but call yourself a woman and the national organization let's you in and get a pass. He can look, parade around nude, do anything he wants.

 It's only 4 speaking out? Well that's ok because it only takes one. Follow this through and build your base because until more speak up it won't change!
